IT Support Experience

IT Help Desk Intern | Genieall Corporation | Toronto, ON (Hybrid) | May 2025 – Aug 2025

- Resolved 220 Tier-1 hardware, software, and account tickets through the ticketing system, with 80% fixed on first contact.
- Set up 90 user accounts, reset passwords, and managed access in Microsoft 365 and Active Directory, cutting access delays by 35%.
- Wrote 25 knowledge base articles on recurring issues, cutting repeat incidents by 15%.
- Wrote Python and Bash scripts to speed up account setup and reporting.
- Escalated complex incidents to senior IT staff and followed each one through to the fix.

Information Technology Tutor (Volunteer) | Sault College | Brampton, ON | Jan 2025 – Apr 2025

- Fixed 30+ network and system issues with students using Wireshark, Cisco Packet Tracer, Nmap, and virtual machines.
- Helped 20+ students debug Python and Bash scripts through line-by-line walkthroughs.
- Explained Linux, networking, and cybersecurity topics in plain language to learners at different levels.

Customer Support Experience

Customer Service Representative (Full-time) | Canaray, Specialists in Oral Radiology | Toronto, ON | Aug 2026 – Present

- Handle a full day of phone calls from patients and dental offices, solving booking, records, and follow-up problems on the spot.
- Troubleshoot technical problems raised by dental offices and patients over the phone.
- Handle patient information in line with PHIPA privacy rules.

Customer Service Representative / Cashier (Part-time) | RONA+ and No Frills | Brampton, ON | Jan 2025 – Jul 2026

- Served 60+ customers a day at RONA+ and handled 100+ transactions per shift at No Frills, keeping service fast and accurate at peak hours.
- Resolved returns, exchanges, and order problems on the spot, and filled 10+ online orders a day.

Education

Post-Graduate Diploma, Cybersecurity (Co-op) | Sault College | Brampton, ON | Jan 2024 – Aug 2025

- Honours Graduate, GPA 3.93/4.0.
- Key courses: Windows Server and Active Directory, Windows Administration, Linux Administration, Cisco Technologies, Computer Networking, IT Security, Ethical Hacking, IT Security Forensics.
- Cisco labs: configured NAT/PAT, multi-area OSPFv3 routing, and a GRE tunnel with IPsec VPN.

Bachelor of Science, Computer Science | Guru Nanak Dev University | India | Sep 2020 – Sep 2023

Additional Technical Experience

Freelance Web Developer | Independent, clients in Canada, UAE, and India | Jan 2024 – Aug 2025

- Built and launched websites for 3 clients, handling setup, hosting, and fixes after launch.

Frontend Developer Intern | Reverr (fintech startup) | Delhi, India | Jun 2023 – Sep 2023

- Delivered 85+ Jira tickets and shipped 15+ React and TypeScript features in Agile sprints.

Web Developer Intern | How To Abroad | Germany (Remote) | Dec 2022 – Apr 2023
